Date: February 3, 2004

Dear Reader:

Enclosed is a copy of the Decision Notice and Finding of No Significant Impact (FONSI) for the proposed Amendments to the Management Indicator Species List of the Salmon and Challis Land and Resource Management Plans and Finding of Non-Significant Amendment of the Land and Resource Management Plan for the Salmon National Forest and Finding of Non-Significant Amendment of the Land and Resource Management Plan for the Challis National Forest. This decision selects Alternative 3: Amphibian Alternative, of the Environmental Assessment (EA). This alternative replaces the existing list of Management Indicator Species for both the Land and Resource Management Plan for the Salmon National Forest and the Land and Resource Management Plan for the Challis National Forest, and clarifies monitoring and evaluation procedures associated with each of the selected species.

The EA, Decision Notice, and FONSI are also available on the Forest Service web site: at <http://www.fs.fed.us/r4/sc/>.

For additional information contact Karryl Krieger at the Forest Supervisor's Office, Salmon-Challis National Forest, 50 Highway 93 South, Salmon, Idaho 83467; by phone (208) 756-5102; or by email at kkrieger@fs.fed.us.

Sincerely,

/S/ LESLEY W. THOMPSON
